| Dividend yield (%) | 0      | 0     | 0     | 0      |

### PRICE PERFORMANCE

## Weak performance

TCNS Clothing (TCNS) reported weak Q1FY24 performance with revenue shrinking 12% YoY (17% below estimate) and EBITDA recording an INR103mn loss (est. INR256mn). This was amplified by gross margin slipping a sharp ~630bp. Channel-wise impact on offline channels was much higher – EBO/LFS contracting 16%/18% with online channel growing 56% YoY. Store addition was calibrated with the addition of only two stores (Q4FY23: 11). Brand mix was similar YoY.

This note marks discontinuation of coverage on TCNS. It is rated 'HOLD'. At CMP, the stock is trading at 19x FY23 EV/EBITDA. Future stock movement, as per us, will also be driven by ABFRL's stock price given the implied value as per the exchange ratio.

### Muted demand environment

TCNS reported a 12% YoY contraction in revenues, much below expectations. TCNS highlighted that the subdued demand environment seen since festive has persisted. There was a greater impact in Tier-II/III cities. Channel-wise, EBO channel contracted 16% YoY, with LFS channel down 18% YoY. Only the online channel saw growth, increasing 56% YoY. On store additions, TCNS moderated expansion, adding only two stores during the quarter, compared to 11 in Q2FY23. (FY23: 76). In addition to the revenue contraction, gross margins also saw a sharp dip (down 630bp YoY) due to the aggressive discounting. With cost base remaining similar, EBITDA margin came in at -4.2% versus 11.3% in Q1FY23. Depreciation and interest costs were elevated given the historic store expansion. As a result, TCNS reported a PAT loss of INR370mn versus a profit of INR24mn in Q1FY23.

### Focus areas ahead

For FY24, TCNS is targeting the following: i) Range architecture and Merchandise Mix: on path of re-balancing range architecture. TCNS highlighted that new-season launch reached stores and is gaining strong traction. ii) Same store sales recovery: Comprehensive approach including optimisation of store inventories, driving footfalls and right merchandise mix. Calibrated approach towards store expansion. iii) Online and omni-expansion: Stabilised models across key marketplaces. Scaled up omni-channel fulfilment across additional stores and channels. iv) Working capital optimisation: Focus on inventory optimisation through sharper buys and stronger range architecture. v) Eleven growth momentum: Multiple stores picking up momentum and showing consistent growth; gradually moving on the path to build a profitable EBO model.

### Financials

The analyst for this report certifies that all of the views expressed in this report accurately reflect his or her personal views about the subject company or companies and its or their securities, and no part of his or her compensation was, is or will be, directly or indirectly related to specific recommendations or views expressed in this report.

## Additional Disclaimers

### Disclaimer for U.S. Persons

This research report is a product of NWML, which is the employer of the research analyst(s) who has prepared the research report. The research analyst(s) preparing the research report is/are resident outside the United States (U.S.) and are not associated persons of any U.S. regulated broker-dealer and therefore the analyst(s) is/are not subject to supervision by a U.S. broker-dealer, and is/are not required to satisfy the regulatory licensing requirements of FINRA or required to otherwise comply with U.S. rules or regulations regarding, among other things, communications with a subject company, public appearances and trading securities held by a research analyst account.

This report is intended for distribution by NWML only to "Major Institutional Investors" as defined by Rule 15a-6(b)(4) of the U.S. Securities and Exchange Act, 1934 (the Exchange Act) and interpretations thereof by U.S. Securities and Exchange Commission (SEC) in reliance on Rule 15a 6(a)(2). If the recipient of this report is not a Major Institutional Investor as specified above, then it should not act upon this report and return the same to the sender. Further, this report may not be copied, duplicated and/or transmitted onward to any U.S. person, which is not the Major Institutional Investor.

In reliance on the exemption from registration provided by Rule 15a-6 of the Exchange Act and interpretations thereof by the SEC in order to conduct certain business with Major Institutional Investors, NWML has entered into an agreement with a U.S. registered broker-dealer, Nuvama Financial Services Inc.(formerly Edelweiss Financial Services Inc.) ("NFSI"). Transactions in securities discussed in this research report should be effected through NFSI.

### Disclaimer for U.K. Persons

The contents of this research report have not been approved by an authorised person within the meaning of the Financial Services and Markets Act 2000 ("FSMA").

In the United Kingdom, this research report is being distributed only to and is directed only at (a) persons who have professional experience in matters relating to investments falling within Article 19(5) of the FSMA (Financial Promotion) Order 2005 (the "Order"); (b) persons falling within Article 49(2)(a) to (d) of the Order (including high net worth companies and unincorporated associations); and (c) any other persons to whom it may otherwise lawfully be communicated (all such persons together being referred to as "relevant persons").

This research report must not be acted on or relied on by persons who are not relevant persons. Any investment or investment activity to which this research report relates is available only to relevant persons and will be engaged in only with relevant persons. Any person who is not a relevant person should not act or rely on this research report or any of its contents. This research report must not be distributed, published, reproduced or disclosed (in whole or in part) by recipients to any other person.

### Disclaimer for Canadian Persons

This research report is a product of NWML, which is the employer of the research analysts who have prepared the research report. The research analysts preparing the research report are resident outside the Canada and are not associated persons of any Canadian registered adviser and/or dealer and, therefore, the analysts are not subject to supervision by a Canadian registered adviser and/or dealer, and are not required to satisfy the regulatory licensing requirements of the Ontario Securities Commission, other Canadian provincial securities regulators, the Investment Industry Regulatory Organization of Canada and are not required to otherwise comply with Canadian rules or regulations regarding, among other things, the research analysts' business or relationship with a subject company or trading of securities by a research analyst.

This report is intended for distribution by NWML only to "Permitted Clients" (as defined in National Instrument 31-103 ("NI 31-103")) who are resident in the Province of Ontario, Canada (an "Ontario Permitted Client"). If the recipient of this report is not an Ontario Permitted Client, as specified above, then the recipient should not act upon this report and should return the report to the sender. Further, this report may not be copied, duplicated and/or transmitted onward to any Canadian person.

NWML is relying on an exemption from the adviser and/or dealer registration requirements under NI 31-103 available to certain international advisers and/or dealers. Please be advised that (i) NWML is not registered in the Province of Ontario to trade in securities nor is it registered in the Province of Ontario to provide advice with respect to securities; (ii) NWML's head office or principal place of business is located in India; (iii) all or substantially all of NWML's assets may be situated outside of Canada; (iv) there may be difficulty enforcing legal rights against NWML because of the above; and (v) the name and address of the NWML's agent for service of process in the Province of Ontario is: Bamac Services Inc., 181 Bay Street, Suite 2100, Toronto, Ontario M5J 2T3 Canada.
