PRICE PERFORMANCE

Kicks off growth through acquisition

Indian Hotels (IHCL) is set to acquire a 51% stake in ANK Hotels and Pride Hospitality, operators of the Clarks Hotels' properties. This move will significantly expand IHCL's presence in the midscale segment, adding 135 properties and 6,800 rooms. The deal, valued at INR2.4bn at a forward EV/EBITDA of approximately 12x FY27E EBITDA, is expected to close in the latter half of FY26.

Even though the acquisition substantially increases the company's room count, its initial impact on overall EBITDA shall be minimal. That said, the takeover signals a potential strategy for inorganic growth in the future. We are maintaining 'REDUCE' on the stock with an unchanged TP of INR648 owing to its high valuation.

Key takeaways

- IHCL has announced the acquisition of a 51% stake in ANK Hotels Private Limited and Pride Hospitality Private Limited, significantly expanding its footprint in the midscale hotel segment.
- The partnership is expected to double IHCL's midscale presence to over 240 hotels, enhancing its leadership position.
- Existing management teams of ANK and Pride will continue, ensuring operational continuity and future growth.
- IHCL has also entered into a distribution and marketing agreement with Brij Hospitality, a boutique hotel group with 19 properties (ten operational, nine in pipeline).
- The acquisition adds 135 hotels and 6,800 keys across 100-plus locations, with 70% of the portfolio in new geographies, boosting the Ginger brand's equity.

Transaction details

- IHCL will invest INR2,040 mn (primary INR1,590mn and secondary INR940mn) in the target companies:
 - INR1.34bn upfront, with the remaining due by June 2026.
 - Investment split: INR110mn in ANK, INR940mn in Pride.
- The transaction includes branding and distribution arrangements for the acquired portfolio.
- 85–90% of the acquired hotels will migrate to the Ginger brand, and a few may be transitioned from management contracts to revenue-sharing model.
- IHCL expects to unlock city-level synergies with a 30% market overlap, supported by its sales, distribution, procurement capabilities and Tata Neu loyalty program.
- Total enterprise value is INR2,400mn.

Exhibit 2: Overall portfolio of ANK and Pride

Source: Company

- The acquisition adds 135 hotels and 6,800 keys across 100+ locations, with 70% of the portfolio in new geographies, boosting the Ginger brand’s equity.
- This move aligns with IHCL’s 2030 vision of achieving a 700-hotel portfolio, up from the current 550-plus hotels.

Exhibit 3: Transaction structure of the deal

Source: Company

FY30 EBITDA (excluding potential benefit of conversion to revenue share model from management contract model) is INR600mn, which is small considering FY25 reported EBITDA of INR28bn. Given that the transaction happened at 12x EV/EBITDA valuation (which assumes 80% revenue increase from current levels of INR330mn), prima facie, the transaction is value-accretive as IHCL trades at significant premium.

Company Description

IHCL, incorporated in 1902, is among India's largest hotel operators with a presence in the luxury, business and leisure hotel segments. The company manages ~18,000 rooms (~150 properties) across India and international locations. It entered the budget hotel segment with Ginger in 2004 and also has a presence in adventure tourism with wildlife lodges. In international markets, IHCL is present via operations in Maldives, the US, South Africa, the Middle East, UK and Malaysia. International operations contribute ~30% to group sales (~15% of inventory).

Investment Theme

The hotel sector merrily sprang towards a faster-than expected full recovery in FY23 and a record Q1FY24 driven by: i) sustained domestic leisure travel demand, reviving domestic corporate and a strong wedding season in H1FY23; and ii) potential full recovery for the international business and leisure travel in H2FY23. IHCL has stronger immediate triggers — leisure demand, wedding season and a buoyant Mumbai market.

Key Risks

Any earlier-than-expected resurrection in the industry or sale of noncore assets to pare debt may prompt a relook at our view/assumptions.
